MAY 2015

NEWS from AGM—firstly thank you to all the members that came to our annual general meeting on 31st March. The Chairman Jonathon Hopkins gave a report on last years activities and thanked all those that helped during the year. The Clubs finances are in very good shape, although we did see a drop in junior members last year. One other items of interest was the decision of the Committee to drop the helpers scheme in which members were expected to commit to helping at least at once during the year. It was felt that it generated more work to organise than the help it delivered, but it is hoped that members family and friends will come forward and offer their help freely when they can, especially on the day and packing away. There were some good suggestions for new classes or events from the floor, but a lot of them will require a pool of helpers. However, one of these was to bring back the 2'6" jumping class—which as you will see we have added back into our Spring Show schedule. The 2014 Awards were presented as follows:-
